Dear Mr. Whyrick:

I am writing in response to your letter of June 18, 2002, which we received on June 22, 2002. I will address each of your itemized questions in turn:

- Number 1: You indicated that you found a discrepancy in Column B for the Summary and Detailed Summary Page. After investigating, it appears that there was a computer error. We have amended the Summary and Detailed Summary Page for the Year End report as well as the April 15 Quarterly report.
- Number 2: You indicated a discrepancy in the aggregate cycle to date totals. We have amended the prior reports to correct these errors.
- Number 3: You indicated that the Committee had itemized contributions under the \$200 itemization threshold. After reviewing the report, it does not appear that we itemized any contributions under the \$200 threshold, nor do we plan to in the future.

Thank you for your assistance in this matter.

Sincerely,

Willard Lasseter  
Treasurer, Chambliss for Senate
